Joe,

I know the story behind KC9WW. He was one of those that was paid up for 2004 before 2004. I sent back his check but kept his renewal sheet. This explains no PeachTree transaction. The 2003 Excel sheet shows he was paid ahead.

Later,
Mark

Subject: More Questions

Hi Mark-

Maybe we can discuss this tomorrow, but i have a few renewals with questions:

1- Two folks (KE9JJ and KA9AJF) sent in duplicate renewals. I was just going to call them and see if they want me to send them back, or just credit them for another year...

2- KC9WW sent in a renewal, and the excel file shows as paid for 2004, but I can't find a transaction on the Peachtree sheets.

3- KF9XL shows dues paid through 2004, but no recent update. He also sent in a renewal. Treat this like #1 above?

Thanks for the help
Joe
